RE: Preliminary Affirmative Determination of Critical Circumstances in the Antidumping Duty Investigation of Steel Wire Garment Hangers from the Socialist Republic of Vietnam (A-552-812)

1. On 8/2/2012, the Department of Commerce (Commerce) published in the Federal Register (77 FR 46044) its affirmative preliminary antidumping duty determination of steel wire garment hangers from the Socialist Republic of Vietnam. On 08/24/2012, Commerce published in the Federal Register (77 FR 51514) its affirmative preliminary determination of critical circumstances in this antidumping duty investigation.

2. Because Commerce preliminarily determined that critical circumstances exist for imports of steel wire garment hangers from the Socialist Republic of Vietnam from the exporter/producer combinations listed in the company-details table appended to the bottom of this message, CBP shall suspend liquidation of such shipments that are entered, or withdrawn from warehouse, for consumption on or after 05/04/2012, which is 90 days before the date of publication of the preliminary determination in the Federal Register. Effective 05/04/2012, for such entries, CBP shall require a cash deposit equal to the margins for the producers and/or exporters listed in the company-details table appended to the bottom of this message.

3. The products covered by this investigation are described in message 2221301 dated 08/08/2012.

4. This investigation has been assigned investigation number A-552-812.

5. Because of the companion countervailing duty investigation, Commerce has reduced the amount of antidumping duty deposit rate by the amount of the export subsidies found. This offset shall remain in effect until 10/01/2012. After that date the full amount of the antidumping duty deposit shall be required.

6. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by O9:IG)

7. There are no restrictions on the release of this information.
